

LEAFLET FOR NOTICE BY YOUNG CAMPERS

Fundamentals

Camping for teenagers under 18 years is only allowed with a permission of a legal guardian. We accept only our own form. At least one legal guardian has to sign it. Please also print out the term sheet for young people and take it along with you.

Side Note

Purpose of the leaflet is to make sure you realize the important rules to get along with our non juvenile campers, families and elder people and to make sure that we all together have a great time on the site. In the neighborhood we have a residential area as well. So from the nature of things at a camping site a lot of different individuals gather together and it's important to show a high degree of respect to each other.

Night Rest

At 22:00 we enter night rest time. Playback of music is no longer allowed. Sitting and talking in normal quietness of rooms is still OK. At 24:00 its absolute night rest time. You must stay in your tents and be quite. Other people must and should be ALLOWED to sleep. The surroundings are NOT optional party locations. The local residents are also allowed to sleep.

Trash Disposal and Waste Separation

Littering of the camp ground by juveniles is by no means acceptable. If anyone litters a little we have in effect a unbearable situation. To fight that anyone has to collect her garbage close to her tent, separate it and finally sort out in our trash room. The **trash room is open from 9:00 to 21:00**. Trash is to be separated for recycling by paper, plastic wrappings (yellow bag), remainder trash, compost degradables, glass deposit and non deposit bottles, cork and batteries. Hint: trash avoiding is the best recycling. Another hint: bottle caps are trash as well. bottle caps are hard to dispose if they are littered on the meadow or the lake side. They are not just ugly but cause harmful injuries especially to little kids feeds. No bottles in the lake or in the wash rooms. No smoking in the wash rooms either. No senseless wandering around with open bottles on the site. Massive violations against these rules we will follow up because our staff has extra effort and we might suffer losses.

Alcohol

Consumption of alcohol is forbidden for juveniles below the age of 16. 16 and 17 years old are allowed to drink beer and wine and other „weak“ alcoholic drinks in moderate amounts. We are a camp site and no binge drinking venue for the youth. Excessive drinking is generally forbidden. Intoxicated persons accompanied with a loss of control (e.g. balance disorder, screaming, etc.) will be immediately sent-off the location.

Rule of deposit

To make sure we don't suffer financial loss due to situations described above we preserve us the right to keep a deposit of **EUR 50,00** per person at the check in. Attention! The deposit is not a upfront payment for the bill. The bill has to be paid generally in advance. We hope that the deposit will make you think about your responsibilities on the site and help us to avoid damage. It's not meant to be any kind of profit making for us but a way to make sure that the described damages will not happen at all. The deposit then will of course be fully paid back to you.

Generally forbidden are

Shopping carts on the site, One way barbecue grills, open fire, careless disposal of cigarette butts and bottle caps.

Disregarding these rules will lead to immediate sending-off the deposit will be lost.
